CURRENT PROJECTS

Book

Mexican Corridors: Migration and Placemaking in the Lower Midwest (manuscript in progress).

Article

Co-authored with Edward Miller. "The Dartmouth Digital History Initiative: Digital Humanities, Data Visualization, and Oral History Archives" (manuscript in progress).

Digital Humanities and Public History

"Mapping the Mexican Midwest" (launched February 2021)

- <https://mappingthemexicanmidwest.bryanwinston.org/>
- A digital mapping project that visualizes Mexican migrant communities, their institutions, and regional and transnational connections in the early twentieth century.

"Unsettling Mexican Migration" (in progress)

- A visualization project that analyzes petitions for naturalization to disrupt common migration narratives of settlement and assimilation.

PAST PROJECTS

Digital Humanities and Oral History

Project Manager, Dartmouth Digital History Initiative

- A digital humanities project dedicated to devising new digital tools and methods that will improve the accessibility and utility of oral history archives.
- Awarded NEH Digital Humanities Advancement Grant, Level III.

Associate Director, Dartmouth Vietnam Project

- An oral history project where students interview members of the Dartmouth community.

Associate Director, Dartmouth Black Lives

- An oral history project where students interview Dartmouth Black alumni.
